Important update for all Rosier Owners Corporation clients

Rosier OCM Pty Ltd proudly announce a new chapter in their development. Due to the recent retirement of the owner of Rosier OCM a decision was made to sell the business. Rosier OCM have now joined the CareCorp Communities company group.

However, the great news is for all Rosier clients that you will continue to do business under the Rosier banner and Gita Spence Fletcher who has over 30 years' experience in the Real Estate and Owners Corporation space is remaining with the company as Branch Manager. Gita will also continue her work as a Strata Management specialist.

Kaye James who has been in the industry for 21 years has now retired and be replaced by Business Development Manager Gayan Silva.

Denise Obrien who has completed 15 years of service will also remain with the company in an Administration /OC Management role.

Rosier has also relocated to a new office in Ringwood at level 1/51 Seymour Street due to the restrictive railway works which are anticipated to take another two years to complete.

We at Rosier OCM look forward to continuing to deliver the high standards of service to you, our clients. Our location maybe new but that will not change our day to focus and endeavour.

Rosier will also be upgrading their software system to a new update system which will provide for better communication and more efficient management of workloads for staff.

We look forward to sharing this exciting new chapter of our development with you as we move forward.

We will stay in touch with new developments and keep you updated with industry news through a regular quarterly newsletter.
